

SUMMER READING

BNEDS Incoming 5th Grade Students

PROJECT REQUIREMENTS:

- Students must choose a minimum of **2 chapter books** to read on their reading level. *Suggested reading materials are included at the end of this sheet.*
- Students must complete the **summer reading log**, tracking the *dates* they read, the *title* of the book being read, the *author* of the book, and their personal *rating*.
- Students must complete the **personal bookshelf**. Each time they complete a book, they should add the book title to each spine and add a bit of color or detail.
- Students should complete a '**Summer Summary**' for 2 of the books read. They need to add the *date(s)* the book was read, the book *title*, the *author*, and then their overall *rating* of the book. The summary should be *at least 4-5 complete sentences*. Summaries should be student-written and should not be taken directly from an internet source. AI use for writing is not permitted.
